

deal of confusion. That is why I introduced H.R. 1174, the Healthy Hospitals Act, to help our Nation's citizens understand the infection rates in hospitals and get these under control.

Here are today's sad statistics. So far this year 1.6 million people have developed an infection in a hospital. There have been 73,000 deaths and a cost of over \$40 billion. It is time we get these under control, and I ask my colleagues to help support by signing on as cosponsors of H.R. 1174. Let's stop these deadly diseases that are killing so many in our hospitals.

SCHIP

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, it gives me great privilege to be able to rise on the floor of the House today to challenge all of our colleagues to stand for our children. We are going to do it again, and that is to put on the floor of the House the Children's Health Insurance Program, \$35 billion for 10 million children.

Forty days in Iraq will equal insuring 10 million children in giving them and providing uninsured low-income children with health care, insuring the lowest income children, pregnant women will be covered. Parents will not be covered. Mental health will be covered. Preventative care, saving the lives of our children, giving them the opportunity for a vigorous and prosperous future. Protecting our soldiers on the front lines when they can't pay for their children's health insurance. This has to be the road we take, the journey to help our children. Let us do it in a bipartisan manner, joining with two Houses, putting it on the desk of the President of the United States. What will this Nation do for her most precious resource? I hope we will pass the SCHIP bill together, united for all of our children.

SCHIP

(Mrs. BLACKBURN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BLACKBURN. Mr. Speaker, it seems like we have a fact and fiction problem that is taking place right here in the body of the House. It is about SCHIP 2.0 that is coming before us today. Well, here are the facts. SCHIP 2.0 will not prevent illegal immigrants from receiving children's health care benefits. It will not prevent adults from receiving children's health care funding, and it will not prevent the government from crowding out 2 million people from the private health care market.

The bill actually covers 400,000 fewer children than SCHIP 1, and it spends 500 million, yes, a half billion dollars more and still leaves out 800,000 eligi-

ble children. Yet under SCHIP 2, adults will constitute 10 percent of all SCHIP enrollees in fiscal year 2012 when the program has a major funding problem. Under SCHIP 2.0, 2 million people would lose their health care coverage, according to the Congressional Budget Office.

Let's get straight on the facts. Let's vote against SCHIP 2.0 and make certain we put the children of the working poor first.

THE CITY OF SCHERTZ, TEXAS

(Mr. CUELLAR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CUELLAR. Mr. Speaker, I rise today to honor the City of Schertz for being named one of the top 100 best places to live by Money Magazine. The city of Schertz was founded in 1843. It is the largest city in Guadalupe County, which encompasses part of my 28th Congressional District. Schertz is located between the areas of San Antonio and Austin but has retained its small town community feel, which was noted by Money Magazine.

Schertz is the home to over 34,000 Texans. Part of the growth we have seen in this city is attributed to the city's vibrant economy, its schools, and the quality of life enjoyed by the residents and its leadership. It is clear why Schertz was named 40th in the top 100 best places to live by Money Magazine, and the State of Texas is ranked number 1 as the place to live.

Mr. Speaker, I am honored to recognize the city of Schertz for being named one of the top 100 best places to live by Money Magazine.

MOTION TO ADJOURN

Mrs. BLACKBURN. Mr. Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore. The question is on the motion to adjourn.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Mrs. BLACKBURN. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The vote was taken by electronic device, and there were—yeas 158, nays 220, not voting 54, as follows:
